Court Etiquette/Rules

- Please wear appropriate tennis attire while on the court. Shirts, shoes, and athletic shorts/pants must be always worn. Street clothes and pool attire are not allowed
- While waiting for your current time, be courteous to the games taking place and wait outside the fence. Give the current players on court a 'courtesy heads-up' 5 minutes before your scheduled time to allow the current players to finish their game and move off the court on time.
- Players' family members should watch their match from outside the fence. This can be a distraction to the opponent.
- If you are watching from outside the fence, please keep noises to an appropriate level and respect members who are playing.
- No profanities, yelling, or screaming at any time on the court.
- Cell phone should be silenced and no loud music or profanity
- Courts are to be used for tennis. No pickleball on the courts. Courts may be used by the Club with other functions.
- Please keep the courts clean by picking up all balls and throwing away any trash.
- Do not retrieve your ball from another court while their point is in progress. Please wait until they finish their point.
